MEMORANDUM FOR: Deputy Director for Intelligence

FROM : Chief, Soviet Economy Division, SOVA

SUBJECT : Sanitized Version of Paper Given to  
Joint Economic Committee

1. Attached is an unclassified version of the written report, "USSR: Economic Trends and Policy Developments," which was sent to the Joint Economic Committee before you testified on 20 September. Richard Kaufman of the JEC staff asked that it be sanitized as quickly as possible so that it can be delivered to the printers.

2. So that you can see what changes were made, I am also sending you a copy of the original classified version, with the revisions written in. The pages on which changes were made are clipped for your convenience.

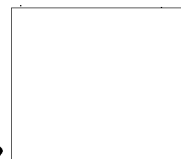

3. We have removed Appendix B, "<sup>Dollar Cost of US and Soviet</sup>USSR: ~~Selected Economic~~ <sup>Defense</sup> ~~Statistics~~ <sup>Activities</sup>", from this draft not for reasons of security (it is almost entirely unclassified), but because in its present form it is very close to being an unclassified version of the dollar comparison of Soviet and US defense activities paper. It is our understanding that the DCI and you have decided that we should not publish that information this year. 1972-81

STAT

*Jim - with a  
few minor fixes  
and the added  
text you sent me,  
this is ok.*

STAT

*Please send me a  
copy of the final. If JEC  
issues one-sided  
biased release, it will  
be the last time  
we cooperate  
with them.*
